We are pleased to announce **Kellie and Kathie Henderson** as keynote speakers

The brothers began molesting their sisters before the girls reached Kindergarten. Their mother did little to stop the abuse, and when their father found out, he also raped the girls. Kellie and Kathie will share their story of sexual, physical and emotional abuse and how they were eventually removed from their home and placed in foster care. Kellie and Kathie's story was featured in a three part series in the *Wichita Eagle* and on *The Oprah Winfrey Show*. Detective William Riddle and prosecutor Marc Bennett will present information on this case including interviewing the victims, interviewing and charging the suspects and sentencing of the suspects.
